New Three Point Time Saving Plan Unveiled

DeMenno / Kerdoon Guarantees Two (2) Hour Vacuum Truck Processing or They Will Pay Haulers Demurrage!

Time is money! DeMenno/Kerdoon's goal is to save hazardous waste haulers both time and money by processing your hazardous waste loads quickly and efficiently. On October 1, 1990 DeMenno/Kerdoon guarantees to process all vacuum trucks within the time table as described in their plan.

DeMenno/Kerdoon will pay \$60 per hour to any waste hauler that has to wait (see D/K plan for details). Also any sample submitted to their lab for preapproval status will be completed and results available within 24 hours or the analysis is free of charge!

Guaranteed processing time, paid demurrage, timely lab results or they're free, all of these are proof that DeMenno/Kerdoon wants to be your number one hazardous waste recycling facility.

Certain conditions and exclusion apply to this offer. For all the details call your DeMenno/Kerdoon Customer Service Representative

I. All Oily Water Vacuum Truck Loads (previously profiled and pre-approved) = Two (2) Hour Processing Time.*

II. All Oily Water Vacuum Truck Loads (analyzed upon arrival along with completed and signed D/K profile worksheet on board) = Three (3) Hour Processing Time.*

III. Lab Analysis Results (on samples received for pre-approval status) = Available Within 24 Hours.

⇒ If Guaranteed Processing Time is Exceeded D/K Will Pay Demurrage at \$60 per Hour to Hauler (excluding wash out time and/or any special approval required). If Guaranteed Analysis time is Exceeded Analysis will be Performed Free of Charge.

* Drivers must log arrival & departure time in control room.
